GLS University, Ahmedabad — *Bachelor of Computer Application*

2020 - 2023

Vijaynagar Higher Secondary School, Ahmedabad — *Higher Secondary Education*

2019 - 2020

PROJECTS

Farmer's Assistant

Developed an app that empowers new farmers with essential tools and up-to-date market prices for seamless crop selling. The app provides easy access to crop details, optimal market rates, fertilizer requirements, and supports animal trading through a user-friendly interface.

Technologies used: PHP, MySQL, Android (Java).

Chat App

Developed a real-time messaging application enabling one-to-one communication. Implemented push notifications for new messages using Android Jetpack Compose with Kotlin and integrated Firebase for backend services.

Electronics-E-Hub (Ongoing)

Developing a comprehensive online platform for an electronic store using NextJS, TailwindCSS, NodeJS, ExpressJS, and MongoDB. The platform serves as a one-stop destination for customers to purchase a wide range of electronic items from the comfort of their homes.

SKILLS

Web Development

HTML, JavaScript, Tailwind CSS

Android Development

Jetpack Compose

Programing Languages

Java, Python, JavaScript

Backend Development

Node.js, ExpressJS, MongoDB, MySQL

HOBBIES

Interest in continuous learning and skill development through online courses.
